Friday 26th June 2026

Dear Families.

There is only one word for this week - HOT. Thank you to all the staff and children this week who have worked so hard - keeping the schools open has not been easy!

This week we received our results for the multiplication check that the year 4s completed. This is an improvement from last year and the impact of TTRS is clear.

We also received the threshold for the Phonics screening. The results in all three schools are at least 80%. A huge well done to all the children and staff that deliver the phonics sessions as well as interventions. We are really proud of the progress this year.

A huge thank you to the parents and grandparents who kindly donated ice pops and Lollie's for all the children to enjoy. Your generosity was greatly appreciated!

Have a great weekend and hoping for a cooler one next week.

Mrs Arrowsmith
